

TECHNICAL FEATURES

	DVC-IP-103
Product Type	IP
Operating Voltage	12V DC
Alarm Current	<100mA
Pull Cord	140cm
Connection Type	CAT6
Operating Temperature	-10°C ile +65°C
Enclosure	ABS
IP Rating	IP54

PRODUCT FEATURES

- Simple and aesthetic design suitable for any environment
- Compatible with IP-based systems
- Visual alert indication
- Maximum performance with a powerful microprocessor
- Call initiation via manual button or emergency pull cord
- Surface-mounted and flush-mounted installation options

ORDER INFORMATION

- DVC-IP-103 IP Bathroom Emergency Call Unit (Flush-Mounted)
- DVC-IP-103 IP Bathroom Emergency Call Unit (Surface-Mounted)
